## Cancellations & No Shows

### Cancellations

\$250 deposit required for all reservations. Cancellations must be made 1 week prior to the schedule trip for a full refund.

Trip times vary with tide conditions and species of fish targeted, please check with me for available dates and times.

For everyone's safety the Captain reserves the right to make last minute changes or cancellations due to inclement weather conditions. In the case of cancellations, you may rearrange another trip or if another trip is not possible, your deposit will be refunded. If you have an evening trip scheduled that is cancelled due to weather, plan to fish the following morning.

### No Shows

If you do not show up for your charter without calling or communicating in some accepted manner, you will lose your deposit and the Captain will be very unhappy with you :).

If you do not show up with the group size that you requested and booked, you will be required to pay for the original group size or a minimum of at least 3 persons per cost.

**If catching fish: especially Striped Bass, Bluefish and offshore species is what you want, then this is the place to call and book your next fishing trip**
