

Captain Todd (Mac)

Capt Todd MacGregor is a 2nd generation charter fishing guide who has continuously held a USCG Captain's License since 1985.

As a recognized expert with over 40 years of experience and extensive local knowledge, the Captain will be sure to work hard to ensure you have the best trip possible. ([Read more](#))

Captain Todd MacGregor has been hired by the Commonwealth of Massachusetts Div. of Marine Fisheries to tag Stripers, the U.S. Fish and Wildlife Service to catch and test Stripers for Human consumption and has been the subject and mentioned in over 100 newspaper and magazine articles.

MAC-ATAC Sportfishing is always happy to take clients fishing for a variety of other species such as mackerel, fluke, scup, sea bass, and/or tautog; season permitting. We are also happy to take offshore trips for school Tuna, Shark and Mahi-Mahi during July, August, and September.

We welcome "Family Fun Day" charters which offers anchoring around the Elizabeth Islands. Enjoy swimming off the boat, exploring the shoreline, tubing, and of course "fishing".

Supporting The Following Charities

MAC-ATAC Sportfishing, and our sister company, [Eastern Reliability LLC](#) works diligently to support the following Charities:

The Meeting Street School & Schwartz Center for Children's Fishing for a Cause annual tournament. This important fund raiser was first started in 2011 and has grown rapidly raising over \$1M since the inception. Capt. Todd has been intergrally involved and serves on the Tournament committee as well as making significant donations including fishing charters and tackle from our sponsors. The 2018 Tournament will be held on June 22nd & 23rd.

CMD Fund for Cystic Fibrosis and Multiple Sclerosis. This is close to Capt. Todd's heart as one of his close friends and mentors, Capt. Bob Bauer of Cuttyhunk, died from complications from MS. Capt Todd will participate in the 2018 CMS Fund out of Falmouth, MA on June 12th & 13th.

Veterans Anglers Charters Fishin' with a Mission to take deserving Veterans out for a great fishing experience.

CCALS: Compasionate Care ALS. This is an important charity for Capt. Todd as long time charter customer, Tommy Stevenson of Taunton struggled with and died from ALS.

The Shepherds Pantry

If catching fish: especially Striped Bass, Bluefish and offshore species is what you want, then this is the place to call and book your next fishing trip
