— Why Choose Us? —

MAC-ATAC Sportfishing has the experience and desire to make your trip the best possible experience. We are committed to catching fish or simply to making your day be exactly what you want, whether it be hard core shark fishing or a more leisurely day of tubing and light tackle fishing for bottom dwelling species combined with a short visit to Cuttyhunk.

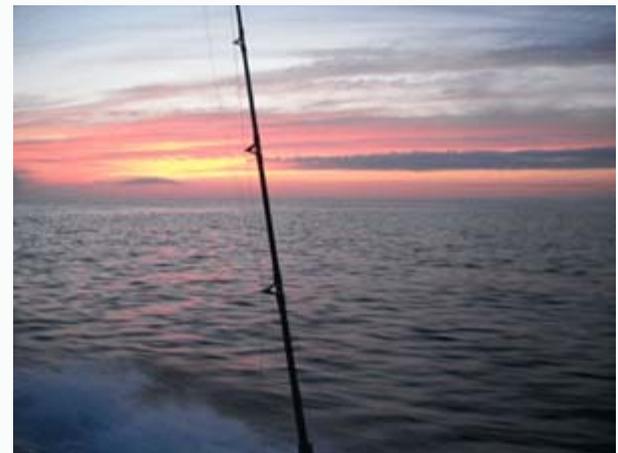

Capt Todd has over 35 years of experience as a commercial rod & reel fisherman and fishing guide. He paid his way through college catching fish and has had a life-long passion for fishing and boating. Success required both knowledge and passion and this is why Capt. Todd has helped so many customers achieve their goal of a huge shark, a 50lb+ Striper, or trophy bluefish.
